Colour Guide

PVC-U System

Industry favourite colours available across our PVC-U

The Stock and Fast Track range of colours have been specifically chosen to satisfy over 90% of the colours your customers are ordering.

Base colour options available on Sculpted and PatioMaster. Key, may be restricted to selected popular sections.

Please refer to the individual Product Guides for availability.
If in any doubt, please speak to your depot sales manager.

Flush Casement Window, Sage Smooth

Our Colour Collection brings a wealth of design flexibility to every project.

It features an array of shades from modern classics such as Anthracite Grey and heritage hues such as Chartwell Green to the palettes of the future such as Claystone. Dual colour options are also available, bringing the option of different interior and exterior colours. Profiles are wrapped in our state-of-the-art colour production facility to ensure the quality of finish remains pristine.

Base appeal To maximise your product offer further, we also offer complementary base colours on our foiled ranges to deliver higher-value aesthetics. These include white, grey, brown, tan and cream and are designed to perfectly complement our foils and deliver the next level in coloured profile aesthetics.
